

Rental Car Disclosure Notice and Agreement

StatGroup, LLC, has negotiated favorable rates with various rental car companies that include some level of insurance coverage. However, this insurance does not provide full coverage, and it does not cover all types of risk. There is no coverage for injury to you and no coverage for damage to or loss of your personal property. Additionally, there are situations that will nullify coverage:

- a) Damage caused intentionally by an authorized driver or as a result of willful and wanton misconduct of an authorized driver.
- b) Damage arising out of the use of the vehicle while under the influence of alcohol, illegal drugs, a controlled substance, or any intoxicant that impairs driving ability.
- c) The rental company entered into the rental transaction based on fraudulent information supplied by the Renter.
- d) The damage arises out of the use of the vehicle while engaged in the commission of a crime other than a traffic infraction.
- e) The damage arises out of the use of the vehicle to carry persons or property for hire, to push or tow anything, to engage in a speed contest or for driver's training.
- f) The damage arises out of the use of the vehicle by a person other than an authorized driver.
- g) The damage arises out of the use of the vehicle outside the continental United States and the use is not specifically authorized by the Rental Agreement.
- h) Damage caused by use of the vehicle off-road.

If you had an accident while driving a car StatGroup has rented for you, any deductible, as well as damages to other property or the cost associated with injuries to yourself or other people, would be your responsibility. Therefore, we require proof of insurance for any employee for whom we rent a car. If you do not have insurance, you may opt for the additional insurance available through the rental car company. If you choose this option, StatGroup will deduct the additional expense from your bi-weekly pay check.

In consideration of employment with StatGroup, LLC and by signing below, you agree to look first and only to your own auto insurance and/or homeowners insurance for any and all coverage beyond that described in this Notice and Agreement, and you agree that you will be responsible for payment of any and all deductibles for claims incurred while you are driving the rental car.
